

WEB DESIGNER

Hello, I'm Phill Mamula.

Just your typical web designer with a flare for modern web design, NBA Basketball and a fresh pair of sneakers. My experience comes from years of making the internet look a letter better for the music industry, now helping small business achieve their goals. A marketing minded designer, hoping to keep making magic on the interwebs.

Experience

2020

Web Design & Developer

DESIGNSAKE STUDIO

A Brand design based in San Francisco, i was able to lead the Web Design & Development part of the studio. Collaborating with the internal designers and clients, to bring their brands to the web. Industries include: Beauty, Wellness, Interior Design, Feminine Hygiene and Cannabis. Projects include: *QUIM, Lauren Weiss, Aeon Botanika, Marea Clark, Hersh Law, Conn Law, and the studio website for Designsake*

2018
